

Team Contract 6.031

Arjun, Nick, Dotun

Goals:

- Goal for the group is to make a comprehensive project that gets an A grade
- The goal is to split the work evenly.

Meeting and Communication Norms:

- Class time will be spent working on the project and dealing with administrative issues (such as goal setting for work)
- The team should meet outside of class as needed to achieve the goals defined during class time for section deadlines.
- Outside class meetings can be held at the stud, times will be arranged via a when2meet as needed
- We will communicate over text group chat

Work Norms

- We anticipate that the project to take about 10-15 hours per week per person to be successful
- The Work distribution is as follows

	Parsing and AST	Sound Playback	Lyrics Streaming
Specs	Nick	Arjun	Dotun
Test	Arjun	Dotun	Nick
Code	Dotun	Nick	Arjun

- Make a google sheets to contain all work responsibilities
- We will set deadlines based on group consensus per class
- If someone does not follow through on a commitment, we will talk to a TA about it
- Each class, we spend the first 15 mins pulling in changes and reviewing work
- If a team member is not doing their share of the work, we will talk to them about it, and if that doesn't work, we can talk to the TA about it.
- We will deal with different work habits by setting hard deadlines frequently so that everyone is on the same page.

Decision Making

- People are able to make the decisions for the parts they are responsible for initially, but these decisions can be reviewed by the group, and the group must have a consensus in order to make that decision final
